Funding from the JPCF Program will be used to support youth under Probation supervision while at home, in a placement facility, camp, or juvenile hall. The services being provided include, but are not limited to, anger management, mental health assessment and counseling, home detention, social responsibility training, life skills counseling, drug and alcohol education, gang intervention, sex and health education and case management.

County Counsel has approved the attached resolution as to form.

**FINANCIAL IMPACT/FINANCING:**

The County of Los Angeles has been allocated \$67,713,506 in JPCF funding by CSA, pending approval of the attached Resolution and submission of the agreement documents. There is no match requirement or net County cost associated with the services. The County must adhere to CSA requirements regarding the expenditure of said funds.

**FACTS AND PROVISION/LEGAL REQUIREMENTS:**

The State of California Corrections Standards Authority (CSA) shall administer allocated funds pursuant to Section 74, Chapter 3.2 (commencing with Section 18220) of the Welfare and Institutions Code (WIC).

**IMPACT ON CURRENT SERVICES (OR PROJECTS):**

The recommended actions will allow Probation to continue providing services previously funded under TANF.
